

HCAA EXECUTIVE COMMITTEE MEETING

Wednesday, September 10, 2008

PRESENT

Wendy Smith
Dave Beccaria
Jamie Gluck
Greg Rosnick
Jesse Belden
Jeff Bumgardner
Adam Care
Julia McGuire
Jamey Van Opstal
Lindsay Festa

AREAS OF RESPONSIBILITY

The executive committee members selected their areas of responsibility for the year. Adam Care will be in charge of running the larger HCAA meetings and attending the Centennial Conference SAAC meetings. Julia McGuire will focus on issues related to academics and faculty. Greg Rosnick will continue to organize the student-athlete community service efforts. Jeff Bumgardner will oversee communication issues related to varsity athletics, including anything that appears on the Web or in the Bi-Co News. Lindsay Festa will focus on any social issues/student life issues that need attention. Jamey Van Opstal will be our liaison to the Students Council. And Jesse Belden will help in any/all areas needed.

AFTER-SCHOOL MENTORING PROGRAM

Greg Rosnick has already been working with Belmont Charter School to get the after-school mentoring program up and running. The program this year will involve a two-tier approach: non-athletes will be needed to for individual mentoring for the entire school year, and teams will be needed to mentor groups of children during their off-seasons. Greg Rosnick will continue to coordinate this effort, and we're hoping that all head coaches will support Greg's efforts.

WENDY SMITH

Wendy Smith attended the meeting in order to welcome the HCAA members and outline some of her expectations for this group.

CAPTAINS

Coaches - Please send me a list of your captains for this year. We'll need this information in order to organize larger HCAA meetings throughout the year as well as some of our community service efforts.

PUBLICITY FOR HCAA

We need to make the HCAA better known among the student-athletes, and we're looking for ways to make sure that others understand the role and mission of our group. I'll be putting together a brief description of the HCAA, and I'll be sending that to all of the head coaches in the hope that they will pass along that information to their teams.

NEXT MEETING

The next HCAA Executive Committee meeting will be Tuesday, September 23 at 9 a.m. in the Dining Center.
