

INTERVIEW FEEDBACK QUESTIONNAIRE

If you have recently gone for an interview at a medical school and wish to share your experience with future Haverfordians, kindly answer the questions below. We are building an archive of applicants' interviewing experiences for future pre-med applicants. Please fill out one form per school. When you have completed the form, please email it or drop it off with Cheryl (cmathes@haverford.edu).

THANKS! Michele and Cheryl

Are you an MD _____ or MD/PhD candidate? _____

NAME OF SCHOOL WHERE

INTERVIEWED _____

Any tips on traveling to the medical school interview, or on lodgings?

How many interviews did you have? 1 _____ 2 _____ 3 _____ Other _____

Who interviewed you? Faculty _____ Admissions personnel _____ Students _____

Alumni _____

Were interviews structured one-on-one? _____ or as a committee of interviewers _____? Or both _____

Please share some of the questions that you were asked, if you feel comfortable doing so.

For MD/PHD applicants: please highlight anything notable about your interview at X school with the MD/PHD committee.

During your visit, describe any insights gained into the school's curriculum, clinical and/or research opportunities?

What did you learn about the medical student community? The social scene? What it is like to live in the area?

Anything else that you would like to share?

Thanks for filling this out!
