The Haverford Annual Fund

Haverford, PA 19041

The more time that passes since being at Haverford, the more grateful I am for the experience I had there, and the more I realize the impact of that experience on my values. What I learned and who I met touches every part of my life. I give to the College so as to contribute to similar experiences for current and future students.

WHAT IS THE
HAVERFORD
EXPERIENCE

The Annual Fund is a critical resource in making Haverford absolutely unique among colleges and universities. An example is the surprising extent to which students become original investigators and scholars during their time here, whatever their long term plans. That's one reason why Haverford ranks among my own top giving priorities.

– Jerry Gollub, John and Barbara Bush Professor of Natural Sciences

Your gift to the Annual Fund is an investment in the Haverford experience and will support:

- **Haverford's values**, perpetuated by traditions like Plenary.
- **Financial aid** that allows the best and brightest students to join our community.
- **A rich curriculum** that spans the arts, sciences and humanities, taught by outstanding scholars.
- **The vibrant surroundings** and Arboretum that enhance learning, research and scholarship.

THE HAVERFORD EXPERIENCE

is the sum of the College's academic excellence, diverse student body, the values inherent in the Honor Code and a beautiful campus. Transformed by Haverford's approach to learning, leading, creating, caring and inspiring, Fords go on to transform their own lives, the lives of others and the world around them.

Haverford has been the "perfect fit" for our son. He and his classmates have enjoyed scholarly, athletic, artistic and student life opportunities that are rare – nurtured by Haverford's small size and intimacy and amidst a community feeling that is uniquely Haverfordian.

– Shira Lander and David Portnoy, CP '13

This year marks the beginning of a multi-year effort to increase the size of the Annual Fund in order to help fund strategic priorities of the College. These priorities, which will be incorporated into a comprehensive campaign now being planned, include academic enrichment, financial aid and campus resources. Each of these fundamental areas of the Haverford experience has an enormous impact on the College operating budget, which your gift to the Annual Fund supports.
