On ibxpress, click on Manage Prescription Drugs

You are about to leave ibxpress.com

You are now leaving Independence Blue Cross' (IBC's) website to view the website of a third party -- FutureScripts®.

The FutureScripts website you are about to enter provides information to members concerning prescription drug benefits, allows members with mail-order information.

IBC does not control the FutureScripts' website and is not responsible for the content or liable for any damages resulting from the use of the website.

If you have questions regarding your prescription drug benefits, you should call the FutureScripts number on your ID card.

[I UNDERSTAND](#) [I DO NOT WISH TO CONTINUE](#)

This will take you the Future Scripts page where you can use the Drug Pricing tool

My FUTURE SCRIPTS.

After entering the Drug, Amount, and Pharmacy, you will get the pricing info

Important information about your selected drug:

- NEXIUM : Your health plan has a preferred drug list. This drug is not on that list. Refer to Pharmacy Benefit Description provided by health plan or health plan's formulary.
- NEXIUM : Patient's prescription drug plan requires other drugs to be used prior to this one; before allowing this drug to be a covered item. Contact your physician or your health plan to discuss requirements.
