TO THE STUDENT:

I have read the regulations in the Haverford College Catalog (p.39) regarding study at other American Colleges, and I fully understand College requirements regarding such study. I have also consulted with my Dean, my Advisor, and my Department Chair regarding the suitability of such study toward both the completion of my major program at Haverford as well as the completion of my distribution requirements and the required 19 credits outside of my major department. Upon successful completion of this approved request, I shall have an OFFICIAL transcript of my grades sent directly from the host institution to the Haverford Registrar for recording.

I understand, finally, that I may not deviate from the above plan without proper approval, that only a grade of 2.0 or C or higher will transfer to Haverford, and that the grade(s) received will neither appear on my Haverford transcript nor calculate into my Haverford cum g.p.a.
