# Haverford College Staff Association

## LET YOUR VOICE BE HEARD!!!

---

Haverford is going through a self-evaluation of how to handle our budget in this time of economic strife.

The Staff Association is in place to facilitate and communicate. The College welcomes any Ideas on ways to improve services, policies, budgets, etc. We have distributed blue “suggestion” boxes around campus to help you have your voice heard. We will regularly collect the items you post in the boxes. These suggestions will be submitted for discussion with administration.

Look for the **Staff Association BLUE BOXES** in Stokes, Facilities, the Coop, the DC, KINSC, Founders, and Magill. You may also contact us by email at: [staffassoc@haverford.edu](mailto:staffassoc@haverford.edu) or speak with any of your representatives.

Please know that, if requested, your suggestions and comments will be handled with confidentiality.
