

Council on Sustainability and Social Responsibility 2017-2018 Annual Summary of Campus Activity

Overview and Strategic Aims

This year the Council on Sustainability and Social Responsibility (CSSR) has focused its efforts on the implementation of the Sustainability Strategic Plan, available at: https://www.haverford.edu/sustainability. The Plan is centered on four overlapping areas of activity:

- 1. **Liberal Arts and Sustainability:** we will educate our students to be future citizens and leaders who will advance a broad array of sustainability objectives through their personal and professional lives.
- Campus as a Living Laboratory: we will utilize Haverford's
 distinctive natural and physical assets to connect curricular and cocurricular programs with local issues of sustainability and to model
 innovative solutions for broader audiences.
- Carbon Reduction and Resilience: we will accelerate Haverford's commitment to carbon neutrality and begin developing a physical infrastructure that can perpetuate our educational mission in a world significantly less reliant on fossil fuels.
- 4. Impact Projects: we will provide avenues for the College and our students to engage directly with urgent and consequential sustainability challenges through civic engagement, advocacy, and career and professional opportunities.

2017-18 Highlights

In the Plan's second year of implementation, there has been much campus activity. With apologies for omissions, what follows is a non-exhaustive list of notable and/or illustrative happenings:

Liberal Arts and Sustainability:

- Engagement across the disciplines:
 - o **2018 Public Policy Forum** featured alumni panel on Environmental Policy
 - HCAH sponsored Beyond the Grassroots: Participatory Ecology and Political Praxis
 Mellon 2018 Symposium
 - CPGC Seeking Global Citizenship symposium explored activism and engagement around the world.
 - KINSC, CPGC, and HCAH supported a second Economic Botany field study in Trinidad and Tobago.

• Environmental Studies:

- The new BiCo ENVS department was created, with two successful hires based at Bryn Mawr fully appointed to Environmental Studies. A search for an environmental economist at Haverford was not successful and will be relaunched.
- 20 ENVS seniors graduated in the Class of 2018; 9 Haverford sophomores declared ENVS as a minor and 5 as a major, in addition to similar numbers of Bryn Mawr students.
- Greenhouse and head house were formally opened and are now utilized by faculty, staff, and students for botanical activity as well as more generally as a communal hub for sustainability work.

Campus discourse:

- The Committee on Environmental Responsibility (CER) hosted regular Green Screen community films/videos.
- Haverford Innovations Program brought Katrina Mogielnicki Spade '99 to campus to discuss the **Urban Death Project.**
- Phi Beta Kappa hosted a lecture by paleoclimatologist James Zachos.
- Haverford College Farm hosted a Student Farmer Symposium.
- o Philosophy Department and Arboretum cohosted Nature & Life Earth Day panel.
- Arboretum hosting monthly Nature Book Club.
- New and improved Green Scene calendar and mailing list centralizes information about sustainability-related programming on and beyond campus.

Campus as a Living Laboratory

Energy:

 CER held its annual **Do it in the Dark** energy conservation challenges resulting in a record 10% decrease in consumption.

• Transportation:

- o CER launched a campus bike share program.
- CER, students, and Facilities collaborated on a new bus stop / bike shed serving north campus to encourage alternative transportation.

Food Loop:

- The Food Systems Working Group continued its work under the Real Food Challenge to increase campus purchasing of sustainable, humane, fair trade, local foods.
- Haverford College Farm Fellow Jahzara Heredia provided professional support and instruction to student farming initiative; led HaverFarm PE course; hosted numerous campus and community visitors; and supported Saint Mary's food bank with produce.
- CER led efforts to educate students about composting in the DC. The Dining Center has composted an average of 2 tons of food scraps per week this year.

Waste:

- CSSR provided electronics recycling to community members during Earth Week to build waste stream awareness and provide an employee benefit.
- CSSR organized its first office supplies swap day.
- CSSR is organizing a new collection program during student move-out in partnership with Green Drop.
- CSSR is developing enhancements to campus waste collection including education, signage, receptacles, and a pilot of organic waste collection in select buildings.
- Incoming students (courtesy of Dining) and new employees (courtesy of CSSR) receive a free reusable water bottle.
- Dean's Office started a lending library for reused textbooks
- President's Office started a reuse program for commencement regalia.

Campus Ecosystems:

- o Arboretum incorporated into courses: ENVS 101, EALC 305, BIO 118/318, PHYS 320
- The Arboretum has begun a comprehensive revitalization project to remove failing trees and replant them 2-to-1.
- Campus bee hives produced the first batch of HaverHoney (collaboration with beekeeper Eli St. Amour and Friends School Haverford).
- The dredging of the Duck Pond was completed including rehoming of affected wildlife.
- Haverford recognized by Arbor Day Foundation as a Tree Campus USA for 2017.

Health & wellness:

- Arboretum hosting weekly outdoor yoga.
- Franklyn Cantor initiated weekly lunchtime walks on the Nature Trail.
- Facilities launched new safety campaign with training modules

Carbon Reduction and Resilience:

- Energy: Facilities completed the 4th year of a 5-year initiative to upgrade the Building Automation Systems (BAS) in buildings across campus enabling finer & more efficient control of heating ventilating and air-conditioning systems (HVAC)
- **The Library** will be executed to LEED specifications (although not certified).
- Fleet: Housekeeping now utilizing an electric utility truck.
- Water: Facilities installed 3 additional water bottle filling stations, bringing campus total to 18.
- Waste hauling: campus dumpsters were replaced with two compactors to reduce truck trips.
- Policy and Administration: CSSR is leading development of a new sustainable purchasing policy.

Impact Projects:

Public Advocacy:

- Haverford leadership engaged in targeted sustainability advocacy including with Lower Merion Township and Montgomery County.
- Haverford has drawn attention as the first College to advocate for switching supply chains to corrugated pallets.

Community Activism

- CSSR and CER hosted 24 Hours of Reality livestream to raise climate change awareness.
- CSSR partnered with PennEnvironment and Sierra Club to host a screening of the documentary Saving Snow and a follow up Climate Solutions Expo.
- Jesse Lytle has represented the College and supported the local Ready for 100% Renewable campaign and as a community presenter via the Climate Reality Project.

Looking ahead to 2018-19:

- Working groups will continue to implement elements of the Sustainability Strategic Plan, including waste systems and purchasing practices.
- BAS Upgrade Project 5th year of 5 year project.
- Building Exterior lighting upgrades will continue
- Development of Utility & Carbon Master Plan to explore viable pathway toward carbon neutrality.

CSSR Executive Committee

- Jesse Lytle, Chief Sustainability Officer (chair)
- Maya Ahmed '20, student representative
- Bill Anderko, Asst Dir of Facilities Management
- Craig Borowiak, faculty representative
- Franklyn Cantor, Special Asst. to the President
- Allison Carpenter, staff representative
- Jeremy Evans '18, CER Chair
- Claudia Kent, Asst Dir of Facilities Management
- Raina Fitzpatrick '18, CER Chair
- Steph Lukez '19, student representative
- Raji Mohan, faculty representative
- Russ Nicholson '18, CER Chair
- Walter Sullivan, Director of Quaker Affairs
- Jon Wilson, Environmental Studies Director

Council Members

- Fran Blase, Provost
- Muriel Brisbon, Director of Human Resources
 Don Campbell, Director of Facilities Management
 Mike Casel, Chief Investment Officer

- Bernie Chung-Templeton, Ex. Dir, Dining Services Nate Diehl, Director of Residential Life Ann Figueredo, VP for Institutional Advancement
- Megan Fitch, Chief Information Officer
- Eric Hartman, Executive Director, CPGC
- Jahzara Heredia, Haverfarm Fellow
- Dan Larkins, Arboretum Program Coordinator
- Mitch Wein, SVP Finance and CAO
