2018 EXTERN PROGRAM – WINTER BREAK
APPLICATION INSTRUCTIONS

WHAT IS THIS PROGRAM?

We are pleased that you are interested in the Extern Program.
- As an extern, you will have the opportunity to job shadow alumni/ae in their place of work.
- Externs observe and talk with sponsors and their colleagues.
- In most cases, you will participate in the normal routines of the sponsor, following your host throughout the workday, and in some instances, working on special projects.
- Most of the extern sponsors are alumni/ae; there are some parents and friends of the College who also serve as hosts.

WHEN DOES THE PROGRAM TAKE PLACE?

The Extern Program takes place over Winter Break and Spring Break. There are two separate application cycles for the winter and spring programs.

The information included here is for the Extern Program Winter Break. The program takes place between January 8 – 19, 2018, depending on the availability of the sponsor.

IMPORTANT DETAILS ABOUT THE PROGRAM – ELIGIBILITY, EXPENSES, AND MORE

- You are responsible for your own expenses, which include transportation, meals and housing, and for figuring out and making the arrangements on your own. In some instances, housing may be provided by the sponsor, which is indicated on their sponsor description form. Before you apply, figure out what your overall expenses will be in order to participate in the experience, with the biggest cost being transportation and housing.

- The program is for sophomores, juniors and seniors. [Note: First year students will be able to apply for the Spring Break Program]

- When you apply for your externship, you are making a COMMITMENT to follow through with the externship. Think about your ability to commit to the time, duration and location of your externship choices. Explore and confirm this before you apply.

- In order to participate in the program, all externs must sign a release form, which needs to be completed at the required orientation.

- Final approval of extern assignments is done in consultation with the Deans.

- In order for HC International Students to participate, your extern experience must be all observation and you must meet with Denise Allison before the selection process.
