HOW CAN THE CCPA HELP YOU?

CAREER ADVISING
Explore & plan for your future!
Meet with a career advisor for help with major and career exploration, gaining experience, starting a job or internship search, building a professional network, and preparing for interviews.

LOCAL JOBS
Earn while you learn.
Check out our part-time job board for the latest openings all around campus and in the surrounding area. Many on-campus jobs allow for flexibility so you can work around your class schedule.

SUMMER FUNDING
Build relevant experience.
Get advice to take full advantage of summer opportunities, including internships and research opportunities. Apply for College grants to fund your summer experiences.

RESUME + COVER LETTER SUPPORT
Prepare strong applications.
Develop strong resumes, cover letters, and Handshake and LinkedIn profiles to attract employers and impress graduate school and fellowship committees.

ALUMNI CONNECTIONS
Connect & learn from alumni.
Networking with alumni is easy with Haverford Connect, LinkedIn, and on-campus events! Ask us how to start building your network.

FELLOWSHIPS + PRIZES
Dive deep into your passion.
Apply for opportunities to conduct research or teach abroad after graduation. Learn about funding for graduate degrees in many fields.

GRADUATE + PROFESSIONAL SCHOOL
Plan for further study.
Receive support on application process, timeline, and testing requirements to submit strong applications for master’s and Ph.D. graduate programs, dental, medical, or law school.

EMPLOYER CONNECTIONS
Connect virtually and in-person!
Connect with employers through Handshake, career fairs, interview days, meet-ups, career chats, and career treks to gain exposure to various industries and opportunities.

CAREER READINESS
Build skills employers seek.
Participate in skill-building training to enhance your technical, analytical, presentation, and communication skills with CCPA’s online resources and workshops.
