

Smart Family Internship Grant

Deadline: March 21, 2022

This grant is open to any Haverford College current first year, sophomore or junior, who has an interest in the communications field. This grant is designed to encourage students to engage in a summer internship in the field.

The internship fund will provide one summer stipend to assist with expenses associated with pursuing a relevant experience within the field of communications (television, radio, print publication, advertising, public relations). **The student needs to obtain a relevant summer position.**

A candidate must have achieved a high level of scholarship and involvement in related extracurricular activities, and should possess integrity, independence, and follow through.

Submit the following by March 21, 2022:

1. [Online Application Form](#) with funding info. You will upload #2, 3, and 4 in the online form.
2. An essay no longer than 2 pages outlining your past relevant experiences and information about the internship (you do not need to have the internship offer in hand at the time of this application; include information about the organization(s) to which you applied and how this fits in with your career interests)
3. Resume
4. Transcript
5. Two relevant writing samples
6. Letter of recommendation from a member of the HC community (faculty, dean, etc.)
