EXPERIENCE

Clinical Directors Network, New York Summers 2014 and 2015

Field Intern: For the Centering Pregnancy Plus (CP+) research project, screened Spanish-speaking pregnant adolescents for eligibility in Lincoln Hospital and other public hospitals and clinics. Explained to potential participants and their families the CP+ goal of evaluating the effectiveness of incorporated HIV prevention into innovative group prenatal care.

Research Intern: Analyzed data from a variety of research projects and produced tables for the final report on a Hospital Associated Infections Prevention Conference. Attended conferences and presented research to community groups for the Sickle Cell Disease/Thalassemia Project.

Ben Austin & Associates, New York Summers 2014 and 2015

Assistant to the Director: Managed Bronx High School of Science's online alumni database using Excel and CSV documents and answered queries from alumni. Conducted research and wrote feature articles for the e-newsletter.

Women's HIV Collaborative of New York, New York Summer 2013

Intern: Translated public health informational documents, press releases, and pamphlets into Spanish. Participated in workshops and presented female-directed HIV information to various community health organizations and to students at Home Health Aide training facilities.

AIDS Institute, New York March 2012

Extern: Shadowed the Medical Director, Dr. Bruce Agins, and learned about the Institute and their associated programs. Toured community HIV organizations and observed meetings of panels such as the Consumer Advisory Committee.

Project Reach Youth: Even Start Program, Brooklyn, NY Summers 2001 and 2012

Assistant Teacher, English as a Second Language: Assisted Spanish-speaking immigrant young mothers with their adjustment to life in U.S. by offering English language and culture classes while their children attended school.

Organized, taught and formulated curriculums to help women with limited literacy develop speaking and writing skills.

LEADERSHIP

Spanish Department, Haverford College 2014-2016

Spanish Teacher's Assistant: Chosen by department faculty to develop lesson plans for twice weekly tutorial sessions with beginner Spanish students. Created various methods of language instruction to engage a group with varying abilities.

Upper Class Advisory Program, Haverford College 2015-2016

Upper Class Advisor: Selected by the Dean for First-Year Students to act as a liaison between new students and their Faculty Academic Advisors in the selection of courses and understanding of the academic requirements and departments.

Customs Program, Haverford College 2013-2015

Customs Person: Selected to live on freshmen hall to help facilitate their academic and social transition to college.

Customs Committee Member: Selected and trained 44 Customs People.

AMIGOS Program, Clemente Middle School, West Philadelphia Spring 2013

Tutor: Tutored middle school students in English, mathematics and social science in a low-income area.

SKILLS

Languages: Fluent in Spanish speaking, reading, writing and translating

Computers: Proficient in Microsoft Office Suite, HTML and the use of Mac OS X and Windows
