*“A Journey through Mathematics with the
Fibonacci Sequence”*

Monday, February 9, 2009

Talk at 4:15 pm – Park 338
Tea at 3:45 – Park 355, Math Lounge

Abstract:

We will use this famous sequence as a stepping-stone to look at various areas of mathematics. Along the way we will construct the Golden Ratio, look at Pascal’s triangle and investigate generating functions.
