

HEERF III Student Report as of March 31, 2022

American Rescue Plan, 2021 (ARP) Student Portion

The information below is provided in fulfillment of the reporting requirement as set forth in the May 13, 2021 notice associated with the ARP Student Grant Program.

1. An acknowledgment that the institution signed and returned to the Department the Certification and Agreement and the assurance that the institution has used the applicable amount of funds designated under the CRRSAA and ARP (a)(1) and (a)(4) programs to provide Emergency Financial Aid Grants to Students.

On May 28, 2020, Haverford College (“Haverford”) signed and returned to the Department of Education (the “Department”) the Certification and Agreement associated with the Emergency Financial Aid Grants to Students under the Coronavirus Aid, Relief, And Economic Security Act (the “CARES Act”). Haverford received its HEERF III Grant Award Notification on May 19, 2021; signing an additional agreement to receive this funding allocation was not required. In keeping with the terms of acceptance of these funds, Haverford will use no less than \$1,111,445, as stated under Section 314(a)(1) of the CRRSAA Act, to provide Emergency Financial Aid Grants directly to students.

2. The total amount of funds that the institution will receive or has received from the Department pursuant to the institution's Certification and Agreement for Emergency Financial Aid Grants to Students under the CRRSAA and ARP (a)(1) and (a)(4) programs.

Haverford was allocated \$1,111,445 by the Department under Section 2003(a)(1) of the ARP, specifically designated to be provided directly to students.

3. The total amount of Emergency Financial Aid Grants distributed to students under the CRRSAA and ARP (a)(1) and (a)(4) programs as of the date of submission (*i.e.*, as of the initial report and every calendar quarter thereafter).

Through December 31, 2021, a total of \$474,000 of the Emergency Financial Aid Grants under Section 2003(a)(1) of the ARP were distributed to eligible students. No additional grants were distributed between January 1, 2022 and March 31, 2022.

During this quarter, students were notified by email if they had checks previously issued as Emergency Financial Aid Grants (CARES Act, CRRSAA, ARP) that were already stale-dated or close to becoming stale-dated. These students were given the opportunity to have their checks reissued by responding to the notification email. Each student received several emailed reminders over approximately one month. As of March 31, 2022, \$14,890 of Emergency Financial Aid Grants were reissued, and \$6,070 were canceled and available to be reallocated to other students.

4. The estimated total number of students at the institution that are eligible to receive Emergency Financial Aid Grants to Students under the CRRSAA and ARP (a)(1) and (a)(4) programs.

All students are eligible to receive Emergency Financial Aid Grants under Section 2003(a)(1) of the ARP. As of February 4, 2022, the estimated number of students enrolled at the institution in the Spring 2022 semester was 1,420.

5. The total number of students who have received an Emergency Financial Aid Grant to students under the CRRSAA and ARP (a)(1) and (a)(4) programs.

Through December 31, 2021, 570 students received a HEERF III Emergency Financial Aid Grant under Section 2003(a)(1) of the ARP. No additional students received grants between January 1, 2022 and March 31, 2022.

6. The method(s) used by the institution to determine which students receive Emergency Financial Aid Grants and how much they would receive under the CRRSAA and ARP (a)(1) and (a)(4) programs.

The first distribution of Emergency Financial Aid Grants under Section 2003(a)(1) of the ARP in the Fall 2021 semester prioritized students with the most financial need. Using Institutional Methodology (IM), enrolled students during the Fall 2021 semester with a family contribution between \$0 and \$20,000 were eligible for a \$1,000 grant. Enrolled students with a family contribution between \$20,001 and \$81,300 (the total cost of attendance for the 2021-2022 academic year) were eligible for a \$500 grant.

All enrolled students in the Spring 2022 semester were eligible to receive a \$600 Emergency Financial Aid Grant if they affirmed incurring eligible expenses.

The same students who received an Emergency Financial Aid Grant in the Fall 2021 semester could receive an additional \$600 grant in the Spring 2022 semester. Students with the most financial need could receive a total HEERF III Emergency Financial Aid Grant of either \$1,600 or \$1,100, depending on their family contribution, as described above. In contrast, all other students would only receive \$600.

7. Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.

On March 9, 2022, students received an email with a link to an online form to request a HEERF III grant. The online form was open until March 31, 2022, and allowed students to accept or decline a HEERF III grant based on incurring eligible costs. Students who accepted a HEERF III grant were given a choice to receive their funds as either 1) a credit to their student account to cover current charges, 2) a check, or 3) a direct deposit. A follow-up email was sent to students who didn't complete the form on March 25, 2022, and again on March 30, 2022.
