Student Assistance

Insureds have immediate access to the Student Assistance Program, a service that coordinates care using a network of resources. Services available include counseling, financial and legal advice, as well as mediation. Counseling services are offered by Licensed Clinicians who can provide insureds with someone to talk to when everyday issues become overwhelming. Financial services, provided by licensed CPA’s and Certified Financial Planners offer consultations on issues such as financial planning, credit and collection issues, home buying and renting and more. Legal Services are provided by fully credentialed attorneys with at least 5 years of experience practicing law. Mediation services are available to help resolve family-related disputes. Translation services are available in over 170 languages for most services. Insureds also have access to LiveAndWorkWell.com where they can take health risk assessments, use health estimators to calculate things like their target heart rate and BMI, and participate in personalized self-help programs. More information about these services is available by logging into My Account at www.firststudent.com.
