### Incidents:

#### **1. Case number: 2015-10-0705441**

Haverford College investigated a possible hazing incident in potential violation of the College's hazing policy. The incident in question took place in May of 2015 and involved members of the Women's Basketball Team. Two seniors and two sophomores hosted a scavenger hunt for six first-year students on the team. The scavenger hunt involved drinking games and some of the first-year participated in underage drinking. Certain activities were videotaped. All of the first-year students stated that they did not feel compelled to participate in the scavenger hunt or to drink the alcohol that was provided to them. The investigation was completed, no determination of violation was made and no further action was taken. The matter was resolved on October 10, 2015.
