JOSÉ PADÍN SCHOLARSHIP
FOR RETURNING STUDENTS FROM PUERTO RICO
THIRD AND FOURTH YEAR COST SHEET

For purposes of determining your financial aid as a José Padín Scholarship recipient, we have used the following amounts to represent the cost of attending Haverford College during the 2020-2021 academic year. Although we believe these costs to be accurate, the College does reserve the right to adjust these as necessary. Should such adjustments happen, you will receive an updated Financial Aid Decision.

Families are expected to contribute toward the education of their individual members. Using the data your family provided on the CSS Profile application, we determined a parental contribution and a student asset contribution. This is subtracted from these college costs:

EXPECTED COLLEGE COSTS

1. Tuition $58,402
2. Student Government Fee 498
3. Room and Board 17,066
3. Room and Board Fall Semester Credit* -2,132
4. Books and Other Educational Materials 1,194
5. Travel 1,000
6. Fall, Thanksgiving and Spring Breaks ($20 per day, 17 days) 340
7. Daily personal expense for such things as laundry, recreation, local transportation 1,468
8. Supplemental amount 250

ESTIMATED TOTAL COSTS FOR RETURNING PADIN SCHOLAR $78,086

*Students with a fall disbursement of Haverford Grant greater than the room and board credit will see their Haverford Grant reduced. This is due to the fact that Haverford met your measured financial need in full, and now that the credit is reducing your need, the Grant has to be reduced in kind. Note that although the credit is applied entirely to the fall semester, the Grant reduction is spread across both fall and spring, to prevent a complete dollar-for-dollar exchange between the credit and grant.

Student health insurance is a separate charge that cannot be covered by financial aid. Haverford requires all students to have health insurance, either through their parents or another plan. If a student is not covered by such a plan, they are required to purchase Haverford’s insurance plan. Students who are covered by an approved plan can waive the Haverford cost by going to the Haverford Health Services web page. The cost of student health insurance for the 2020-2021 academic year is $1,782. More information can be found on the Haverford Health Services web page. You can also contact the College’s Health Service Office at (610) 896-1089.

Outside scholarships. Because the College measures a student’s financial need and then meets that need in full, the inclusion of outside funds will oblige the Financial Aid Office to reduce your Haverford Grant dollar-for-dollar.
