College Holiday Calendar 2024-25 through 2027-28

IMPORTANT: Managers may release staff according to the department operational needs either as a half day or early release based upon their support of ongoing classes that may be in session. For applicable essential personnel, your supervisor will be in contact with you about any critical work that must be completed after the early release time or during the break.

Workday does not automatically account for half days. To ensure Non-exempt (hourly) staff are paid for the entire day, they must enter their full hours worked in Workday for the Half Days/Early Release indicated on the holiday calendar above.
