Now that you have declared a major and possible a minor, it is necessary to update your SEVIS record. Currently, your I-20 Form shows that your PROGRAM OF STUDY is “Liberal Arts and Sciences, General Studies and Humanities, Other 24.0199.” Once the change is made on your record, the Classification of Instructional Programs Code (CIP) number, which was developed by the U.S. Department of Education, will be reflected on your I-20 Form. In addition, note that although your minor (if you have one) will be recorded on your SEVIS record, it will not be printed on the I-20 Form; ONLY your Major(s) will be shown. You will be given an up-dated Form showing your new Major(s).

Please complete and return this Form to Haverford College’s International Student Support Office by April 24, 2020. Keep in mind that this process is independent of the on-line Major Declaration required by the Registrar’s Office; see the Academic Calendar for 2020 for the due date!

Please type or print!
