SEPTA's Airport High Speed Line has four stops in the Philadelphia International Airport at Terminals A, B, C/D and E. From any of these stops, please take the R-1 Train, also known as the Airport Line to 30th Street Station in Philadelphia. Inform the conductor that your final destination is Haverford, Pennsylvania and that you will need a transfer ticket. The cost of the fare (one-way) will be around $10. It is important that you keep your ticket receipt in a safe place as you will need it to board the next train. Approximate traveling time will be around 20 – 30 minutes.

Upon arrival at 30th Street Station in Philadelphia, take the Paoli/Thorndale Train to Haverford Station. Travel time will be around 20 minutes. Haverford’s campus is a ten minute walk from the train station. If you need a ride from the Haverford Station, please inform the Director of International Student Services. If you wish to take a taxi, please contact Main Line Taxi company dispatcher at 610-272-1000. Operating hours: seven days per week, 24 hours per day.

To walk to Haverford College from the Haverford Train Station, go to the nearby Haverford Station Road (on your left). After reaching Haverford Station Road, turn left and go straight along the road (you should cross W Lancaster Ave) until you reach E Railroad Avenue. Take the right path and walk along the road (should be away from W Lancaster Avenue). Eventually, E Railroad Avenue should become College Avenue. The entrance to the campus will be on the left-hand side of College Avenue.

From New York's John F. Kennedy (JFK), LaGuardia, or New Jersey Airports  
We do not encourage you to travel through these cities on the bus or train as it is confusing and very expensive.

After you leave U.S. Customs, ask for assistance at the Information Desk. Be aware that sometimes individual(s) can approach you while waiting for a limousine and offer to take you to your destination for a lower fee. Please refrain from accepting such offers.

Note: Airports and train stations personnel (porters) in the United States do not assume that everyone needs help with their luggage. If you need the assistance of a porter, you will have to ask. He or she will only assist you with your luggage from the Baggage Claim Air to the sidewalk (curb) in front of the building. (Note that it is customary to give a tip, gratuity.) Please expect to lift and carry your own luggage on the various forms of transportation to your check-in point on campus. Once you arrive at the check-in point, someone will assist you with your luggage.
