Time Tracking: Enter Time Worked in Time Tracking

Time Tracking provides a number of options that workers can use to enter time. The options available for workers depend on time entry configurations, business process security policies, and whether the workers are using calendar-based time entry or high-volume time entry.

CALENDAR-BASED USER INTERFACE

ENTER TIME USING CHECK IN/OUT

From the Time worklet:

1. Click **Check In**.
2. Enter the Time Type and Details.
3. Select the Project if it is required.
4. Click **OK**.
5. Click **Done**.
6. After work is done, navigate back to the Time worklet and click **Check Out**.
7. Select a reason for check out.
8. Click **OK**.
9. Click **Done**.

ENTER TIME BY WEEK

From the Time worklet:

1. Click **Select Week** under Enter Time.
2. Select a date corresponding with the week.
3. Click **OK**.
4. Select the day on the calendar for which you want to enter time. The Enter Time window displays.

5. Complete all required fields.

6. Click OK.

Note: Another option is to use the Enter Time pull-down menu to copy time from prior time tracking periods to auto-fill hours, or differing methods of time entry to accommodate high-volume entries.

7. Complete all calendar entries according to the time worked. Total hours update and display above the calendar.

8. Select any time block to make necessary corrections.

9. In the time block window, click OK to save corrections or Delete to remove a time block.

10. Click Submit twice.

ENTER TIME FOR A PROJECT, PROJECT PHASE, AND PROJECT TASK

A worker must be assigned to an active project in order to bill time against it. A worker can add the project, project phase, and/or project task based on your organization’s configuration and requirements. You may be able to use the Auto-fill feature from the Enter Time button if your time is identical to the prior week.

From the Time worklet:

1. Click Select Week under Enter Time.

2. Select a date corresponding with the week.

**Employee**

3. Click **OK**.

4. From the Enter Time pull-down menu, click **Quick Add**.

   **Note:** Quick Add enables you to add your time by one type for that week. Enter Time by Type enables you to add multiple types of time for a specific week.

5. Add a Time Type from the prompt.

6. Under Details, fill each required prompt including the Division and Cost Center if these do not already default.

7. Click **Next**.

8. Add the amount of time you worked using the In and Out prompts, and the **Add** button.

9. Use the checkboxes on the right side of the screen to indicate which days of the week your time entries apply to.

10. Click **OK**. Your time entry will display on the calendar.

11. Optionally select any time block you want to review and/or modify, and click **OK** when you are ready.

12. Click **Submit** twice.

13. Click the **Details and Process** arrow to review your time details and process. Here, you can see the time you submitted under the Details tab, and next approval steps under the Process tab.

   **Note:** The Check In/Out feature must be enabled to have the ability to select a project in Time Type.

**VIEW DETAILS OF SUBMITTED TIME**

From the Time Entry calendar:

1. Select a time block to view detailed information about your time entry.

2. Click the **View Details** button.
