

Below is the timeline for prospective applicants to medical school, with the intent to apply in 2024, and matriculate in 2025.

If you would like Haverford College to write a committee letter on your behalf, the cycle includes both internal and external mandatory deadlines.

September 2023: Attend a Haverford virtual information session for applicants in the coming cycle. This will be announced on the listserv.

December 1, 2023: Haverford College Intent-to-apply Data Form due.

February 1, 2024: Autobiography **and** Letters of recommendation due for alumni applicants.

March 15, 2024: Autobiography due for applicants who are current Haverford students.

April 1, 2024: Letters of recommendation due for applicants who are current Haverford students.

April 2024: Last opportunity to take the MCAT for the 2024 application cycle

Early May, 2024: Medical School application portals opens

Late May/early June, 2024: Medical School application submissions begin

Late June, 2024: Verified applications are sent to medical schools

June/July, 2024: Applicants take the CASPER, SJT, or other situational judgment tests as requested by schools.

Late June/July, 2024: Secondary applications begin to arrive. We recommend a two-week turnaround for submission.

Fall/Winter, 2024-2025: Interviews

Late Fall/Winter, 2024-2025: Offers

August/September 2025: Matriculation
