WELCOME BACK!

We hope you have had an enjoyable summer and are looking forward to your return to Haverford. Please take a few minutes to carefully read over this important information about returning to Haverford.

The Residence Halls officially open for returning students at 10:00 am, SATURDAY, August 27th, 2016. (The residence halls open each semester for returning students two days before the first day of classes.)

To make things go smoothly and quickly when you return, here are some things that you can do and have in place before you arrive at Haverford. If you haven’t done so already:

- Double-check that your housing assignment is accurate so that the right key is awaiting you upon your return. Check here (you can look yourself up and see your housing assignment if you did not choose to suppress this information). Please be in touch with us if you think anything is not accurately reflected in the system.

- If you will have a car on campus, you must obtain a CAMPUS PARKING PERMIT. You may apply ahead of time for a Parking Permit online. Campus Safety is responsible for the registration of motor vehicles which park on College property, for the issuing of parking permits, for the collection of parking fees and fines, and for the enforcement of parking regulations.

- If you will have a bicycle on campus you can do your BICYCLE REGISTRATION ahead of time. Register it with Campus Safety by using the online Bicycle Registration Form.

Once back at Haverford
Upper-class Non-Academic Registration and key pick-up has been stream-lined in an effort to make your arrival easier and more convenient.

REMINDER: BRING YOUR ONECARD WITH YOU
It is your ID and it is needed to swipe in acknowledgement of receipt of your key.
If you need a new OneCard please go to Campus Safety before going to pick up your room key.

A gentle reminder: *Only* students with permission* from the Office of Residential Life or Athletic Department to arrive early will be allowed to move in before the official opening of the residence halls at 10:00am, Saturday, August 27th. (*e.g. UCAs, CPs, HCOs, SRPs, PAFs, AMAs, Customs Program support, or members of athletic teams*). There is a **$250 fine** for students who are on campus before the residence halls officially open. Any student(s) who permits someone to stay in their residence hall/apartment will also be fined **$250**. Imposing fines is not something we do lightly, so we hope that you recognize the magnitude of the problem and respect our effort to deal with it fairly.

Safe travels back to Haverford and we look forward to seeing you upon your return.
