

How to Schedule a Study Abroad Advising Appointment

The study abroad office uses [Terra Dotta](https://travel.haverford.edu) (travel.haverford.edu) to schedule advising appointments and for the application process.

Step 1 – On the [Terra Dotta](#) homepage, click on [“Search for a Study Abroad Program”](#):

The screenshot shows the Haverford College Terra Dotta International Travel Registry homepage. The header includes the Haverford College logo and the text 'International Travel Registry'. A navigation menu is visible with options like Programs, Process, Site, Staff, Settings, and Maintenance. The main content area features the title 'Haverford College Terra Dotta International Travel Registry' and a sub-header 'Study Abroad Semester and Academic Year Travel'. Below this, there is a section for 'Application Process' with two steps: Step 1: Search for a Study Abroad Program and Step 2: Please note you should read your program page for specific Haverford requirements. There is also a section for 'Internal Application - Declaration of Intent' with instructions on how to update an existing application.

Step 2 – This will bring you to the list of approved programs. Click on any program you’re interested in (it doesn’t matter which one):
